

## Release and Consent

**PLEASE READ THIS DOCUMENT CAREFULLY AND DO NOT SIGN IT UNLESS  
YOU FULLY UNDERSTAND IT.**

I, \_\_\_\_\_,

*Hereby agree to release and discharge forever, Francis (Bud) McGrath, Gena McGrath and any other person, firm or owner acting on her behalf from any liability whatsoever out of or related to riding, training, grooming or any equestrian-related activities.*

*In giving this release, I hereby state that I have been advised of and am aware of the risks and dangers involved with horseback riding and related activities. I understand that horses are large unpredictable animals by nature, that they may buck, kick, rear, bite and otherwise act in manners that may harm my safety, that even the most experienced riders may have difficulties controlling their animals, and that the resulting risks may be serious bodily injury or even death.*

*Furthermore, while I understand that the training grounds will be maintained in a reasonably safe manner, I know that contingencies such as falling from a horse onto a hard surface or any other object, falling or otherwise suffering injury when a horse trips on uneven ground, or falling or otherwise suffering injury when a horse is frightened into unexpected behavior (running, kicking, etc.) may occur.*

*Being aware of the risks associated with horses, horseback riding, and those inherent to a farm setting, I consent to assume those risks in return for being allowed to participate in horse riding, lessons, training, and any related services extended by Francis (Bud) McGrath, Gena McGrath and any farm owner where these activities are conducted.*

# When you come to ride please bring:

**Helmets are required; we will provide helmets unless otherwise preferred. If your child outgrows a helmet or boots that you have purchased for riding please consider donating them to our program.**

- Boots or shoes with FLAT leather soles.
- Riders must wear long pants.
- Any medications, inhalers, Epi-pens that could be required.
- Sunscreen if needed.
- Bug spray - (seasonal)
- Bottle of water
- A coat, sweatshirt or rain wear if the weather is apt to turn wet or cool.
- Snack if your child requires one on schedule for medical reasons.
- Parents who plan to stay should bring a chair and a book.

Because of diverse needs we cannot and do not give children food snacks, if we have a day clinic, show or trail ride planned you will need to pack a bag lunch.

**Bring your enthusiasm and joy and we'll fill the barn with fun!**
